

DOUG ROGERS

Senior Vice President of Business Development

BIO

Doug Rogers joined as the Company's Senior Vice President of Business Development in October 2017. Mr. Rogers leads the national sales and marketing team supporting federal, state and payment processing engagements focusing on expanding our relationships with new government partners. Prior to joining NIC, he was a Vice President at Cerner, a publicly traded company (Nasdaq: CERN) headquartered in North Kansas City, Mo., and supplier of health information technology solutions, services, devices, and hardware. Mr. Rogers spent thirteen years with Cerner in a variety of roles ranging from marketing, government relations, and sales. For the three years prior to joining NIC, he led the team that sold Cerner's Population Health Software-as-a-Service solutions across multiple markets, including federal and state government. Mr. Rogers holds a B.S. degree in Biology from the Centenary College of Louisiana.
