transactions per day

382 million
secure financial
transactions processed

\$22 Billion in payments
processed annually

THE SIMPLE, SECURE AND FLEXIBLE WAY FOR GOVERNMENTS TO PROCESS PAYMENTS.

Over 25 years ago, NIC set out to become the leading provider of digital solutions for government agencies. Today, we provide federal, state and local governments with a suite of integrated technologies that make processing payments easier, more secure, and more citizen-focused than anyone else. Whether you need a flexible omni-channel platform, fully PCI-Level-1 compliant transactions, or just a better way for depositing, tracking and reporting funds, we have a solution for you.

BUILT FOR GOVERNMENT

The NIC Payments Platform delivers:

- EASE OF IMPLEMENTATION
- CUSTOMIZED AND PERSONALIZED SUPPORT
- SECURITY AND PRIVACY
- CONSTANT INNOVATION TO SUPPORT EVOLVING CITIZEN EXPECTATIONS

**NIC'S PAYMENT SOLUTIONS MAKE IT EASY FOR CITIZENS.
AND THAT MAKES IT EASY FOR YOU.**

NIC Payment Processing allows you to offer citizens multiple payment channels, accept multiple payment types and provides you with secure processing and disbursement.

**CITIZEN-FOCUSED
PAYMENT EXPERIENCE**

Interact through multiple channels with the ability to meet states' needs using low code applications. Accepts a variety of payment types and offers flexibility to citizens

PAYMENT CHANNELS

PAYMENT TYPES

**POWERFUL AND SECURE
PAYMENTS ENGINE**

Process through a robust PCI secure gateway, manage with powerful and flexible reporting, reconciliation and transaction management

GATEWAY MERCHANT SERVICES

REPORTING & RECONCILIATION

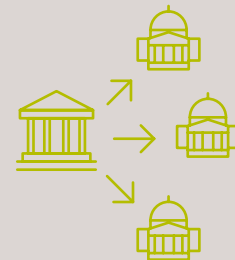

TRANSACTION MANAGEMENT

**BANKING AND
DISBURSEMENT
PROCESS**

Comprehensive process that simplifies complex and multiple hierarchy account disbursements while providing transparent transaction status

NIC'S PAYMENT SOLUTIONS ARE:

TRANSPARENT

A single, transparent transaction engine for quick visibility of payments anywhere in the process

SCALABLE

Proven track record managing high-volume transactions (capacity to process up to 1 million transactions per day), with the agility to immediately scale accordingly

FLEXIBLE

We offer a variety of payment options for citizens and pricing models for agencies depending on your needs.

SECURE

We have a layered security approach and have invested heavily in people, process and technology to ensure a safe transaction every time.
