

# CANNABIS LICENSING

egov.com

**Custom built  
for government**

**Configurable  
for every state**

**Rapid  
implementation**

## THE ONLY PLATFORM DESIGNED SPECIFICALLY FOR THE CANNABIS AND HEMP INDUSTRIES.

- Citizen & Regulator Portal
- Patient Registry
- Caregiver Registry
- Physician Registry
- Business Licensing
- Employee Credentialing

### WE SERVE GOVERNMENT AND INDUSTRY

NiC Licensing Solutions addresses the unmet needs of the rapidly evolving cannabis regulatory industry. Our current state partners include:

MT

MO

OK

RI

WV

### WE ARE EXPERTS

We understand the cannabis industry. Our team of experts applies years of experience to build configured solutions that meet the unique needs of government and constituents.

### WE MOVE FAST

We recognize that legislation often requires a rapid turnaround. NiC Licensing Solutions **launched a fully configured cannabis licensing platform for Oklahoma in 42 days.**

## WHAT MAKES OUR SOLUTION DIFFERENT?

- Custom-built for government, not a commercial platform modified for agency use
- Informed by deep cannabis industry experience
- Proven track record of success, with on-time implementations and strong customer service
- HIPAA, SOC 2, and WCAG compliant
- Intuitive interface and workflows
- Robust APIs easily connect to third party systems such as seed-to-sale and NIC's payment management platform
- Cloud-hosted, highly scalable and secure platform
